THE HOUND OF THE BASKERVILLES

Black Stripe Theater are staging a production of Arthur Conan Doyle's classic masterpiece 'A Hound of the Baskervilles', a story of mystery, murder, and the supernatural. Based on one of the best-loved novels of all-time, and featuring the investigatory quick-witted duo of Sherlock Holmes and Dr Watson, our humorous version adapted by actor and writer Brandon Francis has four actors.

The production contains elements of physical theater, slapstick, mime, comedy, audience participation and live music. Set in Dartmoor in England in the late 19th, Holmes and Watson are drawn to the case after the disappearance of a wealthy heir's shoe. The game's a foot. The HUNT is on!!
